ABOUT ME

I'm Jordan, the girl behind @midwest_foodfest and www.foodfestadventures.com. I started sharing my foodfest adventures with the world on Instagram in 2016 and my blog in 2019. As a leader of the @cbusfoodbloggers, I love sharing delicious food, innovative restaurants, and awesome brands with my followers. If I'm not snapping pictures of everything I eat, I'm teaching elementary school and managing social media for local businesses here in Columbus, OH. I hope that we can work together to spread the word about what you have to offer!
