THANK YOU FOR YOUR INTEREST!

Hot Dudes With Dogs is an Instagram account created by Kaylin Pound that showcases photos of attractive men with adorable dogs. Hot Dudes With Dogs has one simple mission: to make people drool over the ultimate eye candy while promoting brands and individuals. We also work to help less fortunate pups out in the process by supporting animal shelters.

## FEATURES

Since exploding onto the Instagram scene in 2015, Hot Dudes With Dogs has become a leading social media influencer that has been featured in Huffington Post, TIME, Rolling Stone, Buzzfeed, Daily Mail, Cosmopolitan, NY Post, Marie Claire, Elite Daily, Glamour, The Telegraph and more.

hotdudeswithdogs

Sure, there are plenty of places on the Internet to look at photos of hot dudes and pics of dogs, but why not just multitask? Hot Dudes With Dogs does just that, posting a delightful collection of shots of typically buff guys holding some cute pups. There's definitely no lack of adorableness available on this account, especially since it's hard to tell whose eyes are smoldering you the most: the man or the animal.

# AFFILIATIONS

Hot Dudes With Dogs has worked with a variety of Instagram models, fitness trainers and well-known brands including Daniel Wellington, Barkpost, Bumble, Puppies Make Me Happy, Backdrop, Howling Pup and Earth Rated.

# DEMOGRAPHICS

Hot Dudes with Dogs' demographics is primarily female, with 85% of our followers being women between the ages of 18 and 34 years old. Currently, the top locations for our followers include the USA, Australia, UK, Canada and Brazil.

# THEME

The theme of our Instagram is pretty straightforward: hot guys and dogs. While the main focus of our account is hot dudes and their furry friends, we occasionally feature photos of cute dogs or dog-related memes that pertain to trending topics.
