ABOUT

Jelka Lepever is an international model and sustainable content creator from Belgium, based in London.

As a professional international model, since the age of 10, she has been lucky enough to work in places such as China, India, Thailand, Indonesia, Italy, Spain, United States, etc with a wide range of experience doing stills and motion.

Being a passionate vegan for 5 years now, she uses her social media to spread the vegan message and inspire others to live more consciously. On a daily base, she shares her own tips & tricks, recipes and honest thoughts on her instagram, youtube and blog.
