### About

Savory Spin is a food blog where you will find a variety of easy-to-make, better-for-you, tried-and-declared-tasty, recipes that have been mostly inspired by my childhood in Sri Lanka. Most of my "exotic" recipes incorporate budget-friendly ingredients that can be purchased at your local grocery store.

I am a huge proponent of "a little spice is always nice" and I passionately incorporate it into eats and treats that will tickle your tastebuds and not mess with your waistline.

*I have worked with several Fortune 500 brands and have had my recipes featured in Huffington Post, BuzzFeed, Fitness Magazine, Shape Magazine and Best Self Atlanta, to name a few.*
