2017

sebastian gomez

as an architectural designer, Sebastian always shared a passion for fashion and contemporary design. His enthusiasm led him to establish TwoTrends; where he is recognized as a menswear influencer known for both his tasteful dapper and street styles.

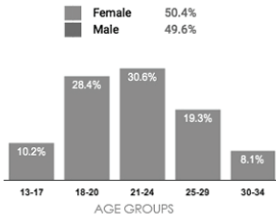

### espe hernandez

growing up experiencing different cultures, Espe discovered her love for media from an early age. As a broadcast journalist, espe is recognized as a talent for tv hosting, writing and fashion photography. Her chic and bubbly personality without a doubt attracts the eyes of many through twotrends.

TwoTrends is a Fashion & Lifestyle blog targeted for both men and women. Having met in Miami FL, Sebastian and Espe always shared a love for fashion, experiencing the world and living life to the fullest. Just as any ordinary couple would, they pursued these things together until TwoTrends came into existence.
