

Shirley Bovshow

Professional Landscaper/Edible Garden Designer

Equally at home explaining how to garden or imitating Tina Turner, **Shirley Bovshow is a garden television host, garden designer, and landscape makeover expert.** As a break-out talent from the garden world, Shirley brings equal parts expertise and entertainment to everything she does and is known for her visionary style and push-the-envelope thinking.

Shirley's landscape design business, **EdenMaker Design** opened its doors in 2001 and she quickly became an in-demand landscape designer in Los Angeles booking a year in advance by referrals only.

Shirley's expertise includes **outdoor living, landscape design, makeovers, low water gardening, vegetable gardening, urban gardening, indoor plants, pet-scaping, plant crafting, DIY, floral design, herbal concoctions, and cooking from the garden.** But, her specialty is teaching while entertaining and making friends with an audience with her down to earth style and warm smile.

Television Personality

Currently Shirley serves as the landscape and garden lifestyle expert on **Hallmark Channel's, Emmy nominated "Home & Family,"** a nationally broadcast show that airs daily. In its 6th season, the show tapes from Universal Studios in Hollywood where Shirley's landscape designs for the show can be seen on the Tram Tour. She was also the designer and Co-Host of **Discovery Home Channel's "Garden Police,"** and has appeared regularly on national networks including **HGTV, NBC, CBS** and major print publications.

Media Producer

Shirley is an "expert + personality" equally at home in front of big and small audiences, live television, and behind the camera. She works in numerous media types, including hosting, speaking, video production, and writing for the web and print through her company, **Garden World Media.** Her client's include **SC Johnson, NBC/Universal, Meredith Studios and Disney's Epcot.**

Recognition/Awards

A credit to Shirley's tenacity and talent, she is the **most prominent female landscape and garden lifestyle expert on television**, a field traditionally dominated by men. A producer's favorite, Shirley delivers "turnkey" segments, pre-produced with products sourced and ready for the camera.

Shirley's landscape design portfolio has earned the designation "**Best of Houzz Design**" every year from 2012–2017 for Houzz.com, the leading online community, directory, and marketplace for all things home design with over 40 million monthly users.

Blogs/Social Media

"Eden Maker" and **"Foodie Gardener"** are her two top-ranked blogs, ("2016 Golden Trowel Awards, **Top 50 Gardening Blogs**"), and she was named **"Top 5 in Gardening"** on Twitter by Cision, a platform that ranks influencers in different categories.

Bilingual

As a first generation Honduran/American, **Shirley speaks Spanish fluently** and lives in Los Angeles with her husband, Larry, four children and two dogs.
