## About LynSire / Rosy

I have been a blogger for more than five years.. My focus is to share with others a cruelty-free, and vegan life. Whether it's beauty, fashion, or lifestyle in general. I believe no animal has to suffer in the process for us to enhance our beauty. I create bilingual content in English, and Spanish. With this blog I want to inspire that a cruelty-free life is easy, and fun! I also make YouTube videos in both languages! -Rosy
