lauralbouy @glossybox_us I have just one word for you: bravo 🍷 I received the limited edition "Rituals of Sakura" box in collaboration with @ritualscosmeticsusa, and I am so excited by all these beautiful products! I love the fresh cherry blossom scent and the nourishing rice milk textures! This new beauty treatment is all I needed to pamper my skin and give it a glow for Spring time. Thank you! 🍷

lauralbouy Between Los Angeles' polluted air, my addiction for French rosé, and my son who everyday is sucking the youth out of me (2 words: terrible two's), where did my glow go? It was high time for me to find the right beauty routine to pamper myself, and it starts today with Blanc de @lamer Brilliance Brightening Mask, a two step treatment (primer + gel cream) that instantly brightens and softens skin. Use code PAMPER for a free sample of the cult-favorite Crème de la Mer with any purchase! #lamerinfluencer #blancdelamer. Shop it here: <http://liketk.it/2qik6> @iketoknow.it
