

My name is Stephanie, but on social media, I am better known as Stepanka! I have been a YouTuber and influencer for the past 3 years, and in that time have travelled, shared life experiences, advice, and pretty much everything with my viewers. My YouTube following has grown to over 320,000 and I have amassed almost 60 million views. Storytelling and connecting with my fans has been one of my favorite parts of being an influencer, and by working together, I can make your wonderful hotel a part of that story.

I have lived in many places: New York City, Los Angeles, Czech Republic, and currently Connecticut. Some of my most successful videos have been of my travels! Vlogging my every day life is exciting both for me, and for those that watch my videos. I really pride myself on being a very relatable person, keeping it real, and putting out quality content regularly. I have branched out into many platforms and in addition to having a YouTube channel with over 320,000 subscribers, I also get consistently high views on my snapchat (over 200k+ in 24 hours).

In addition, last year I was diagnosed with a rare bone marrow failure disorder, which has taken me on another life journey. Despite not having a match for a bone marrow transplant, I am living my life to the fullest and still managing to share my life story with my following. I feel like my continued work, travel, and happy-go-lucky attitude is what keeps pushing me to grow as an influencer. I have attached some documents for you to look over in considering a collaboration. I hope we can work together and greatly appreciate you taking the time to look over my work! Thank you again & hope to be in touch.

Stephanie
