

ABOUT

GiGi Eats Celebrities

So here's the deal, I have more digestive issues/food intolerances and allergies than there are letters in the alphabet. I also have Celiac AND Crohn's Disease, Ulcerative Colitis, IBS-C and I do not have a large intestine, so as you can see, I truly won the digestive lottery! But I don't let these issues stop me from enjoying delicious foods, these limitations have me consuming a Ketogenic/Paleo-ish diet, and experimenting in the kitchen with foods I ACTUALLY CAN EAT. So that's what you will see on my blog GiGi Eats Celebrities, and my YouTube channel under the same name. My quirky creations being made FOR THE FIRST TIME EVER, RIGHT BEFORE YOURS and MY EYES! I hate wasting food so I never make these recipes prior to filming my recipe videos, so expect, THE UNEXPECTED!
