Squishy

Say hello to your new friend, Squishy! He is a 8 year old red-eared slider who loves being photographed on his wild adventures, enjoys a juicy chomp of shrimp, and late night swims in his aquarium.

Meet the newest member of our nest, Honey! She is a 2 year old yellow-bellied slider who loves to chase you, can give you an actual hand-shake, and enjoys chilling with her favorite plant. Honey can steal the spotlight and steal your heart!

PARACHUTE

BURROW

A still life composition featuring a small turtle, a glass bottle with lemon slices, and dried flowers on a textured surface. The turtle is positioned in the center, facing right. To its left is a clear glass bottle with a white cap, containing several lemon slices. In the top left corner, there are more lemon slices. In the bottom right corner, there are dried, light-colored flowers. The background is a light-colored, textured surface, possibly a cloth or paper. The overall aesthetic is clean and minimalist.
