ABOUT SHERI

I am a 48 year old mom to six kids. I stayed home with them when they were growing up. Now that my youngest is 9, I have headed back into the work force. My second son, Cole, is a YouTuber. He and I did The Amazing Race together and came in 2nd. I now use my social media accounts to promote health and beauty. I like to encourage women to love themselves and to live life to the fullest.
