

smartphone, tablet, and wearable reviews, videos, editorials, and news

ABOUT US

With close to two decades of experience helping readers choose the right portable devices, we're one of the oldest publications devoted exclusively to mobile technology – and with an ever-growing audience of millions and millions a month across Pocketnow.com, our YouTube channel, and all of our social media (Facebook, Twitter, Google+, Instagram, Flipboard), we're also one of the largest.

Through it all, one goal has remained the same: to provide top-notch news, editorial, review and video content to mobile enthusiasts – veteran and newcomer alike.

ABOUT OUR VIDEOS

YOUTUBE

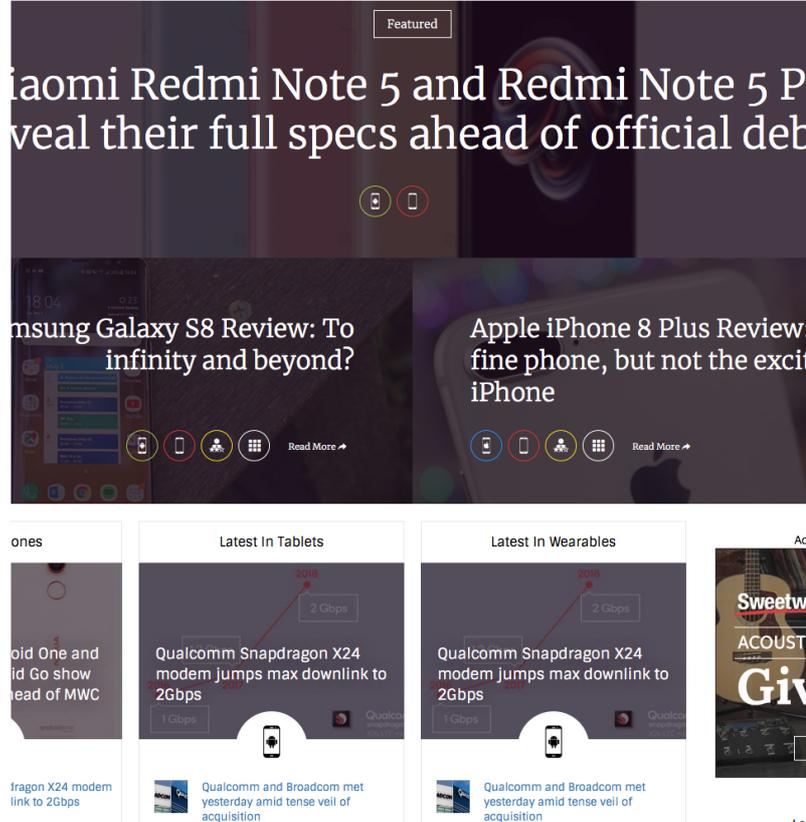

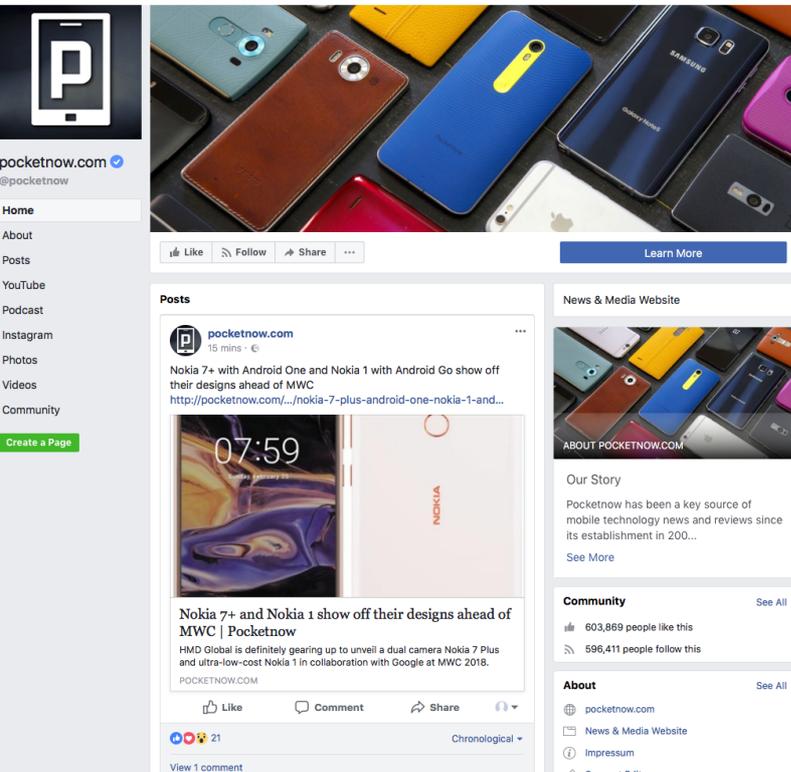

We have joined YouTube in 2007, making Pocketnow one of the first mobile-oriented tech channels on the platform. More than ten years later, we have an ever-growing audience of 1.5M+ subscribers who enjoy our quality video content. Our videos range from daily shows to reviews, features, comparisons, device launches, trade shows, and our award-winning podcast. With 600M lifetime views, our unbiased approach and beautiful content is appreciated by a vast audience worldwide.

ABOUT OUR ARTICLES WEBSITE

Founded in 2000, our website offers round-the-clock news coverage, commentary, reviews, features, and much more. With close to two decades of experience, our readers appreciate our timely and unbiased content written by trusted experts and journalists. Over 10M users return to Pocketnow several times per day to stay up to date with everything that matters in the mobile landscape. They also listen to our award-winning weekly Podcast!

WHAT'S NEXT

THE FUTURE OF POCKETNOW

We're looking forward to another decade, as we're soon turning 20. That means that we're not slowing down; on the contrary. We're more excited, driven and committed as never before in delivering not only the trusted content our subscribers, readers, and followers are used to, but also in creating new, beautiful, unbiased and trend-setting text and video.

"Join us for the next chapter of a new decade in technology journalism, the place where tomorrow is really today" Anton D. Nagy, Editor-in-Chief, Pocketnow
