

AKASHA GARNIER

Akasha has frequent conversations with top 5% influencers and regular monthly website views of 200K.

Secrets to Shine Through the Noise is a compelling journey from starving artist to mentorship. "Wherever you are on your journey...believe it's worth the trip!" This was Akasha's motivation when she was invited to write the book. #ShineThroughtheNoise began as a collection of travel blogs and ends with inspiring business wisdom. It is a source to gain knowledge, power, and skills to make positive changes; it's also a way to give back to the community with promo partner, Teen Cancer America with 10% of proceeds going to TCA (The Who's charity).

The #ShineThroughTheNoise podcast is poised to launch as new and noteworthy and bring branding, shine and success stories to life.
