

Joelle Levine

INSTAGRAM INFLUENCER
YOUTUBE VLOGGER

About the influencer

Joelle is a t1 diabetic, celiac, mom, and wife with a passion for acting, modeling, fitness, and food. She uses her platforms to be real, upfront, and honest so that people feel like they have someone to go through life with; This has made a very bonded relationship with her followers. She hopes to inspire people every day to follow their dreams. She prides herself on helping people and only promoting/ working with people and brands she truly loves.
