ABOUT ME

Hey there! My name is Mikayla. I am from California. I have been Social Media Marketing for 6-7 years now. I have worked with various companies and have multiple sponsors. I am now an owner of very own business that I started in February of 2020. I have always had a passion for content creating especially for Fashion, Beauty, Fitness, Lifestyle and Gaming! I am always looking forward to working with new brands and trying out new items/products, sharing them with my audience. I always strive to make the best content I could provide for each and every brand I work with.
