

KHYBER FOOTPRINT

Founded in 1992

Based in Arizona and under continuous operation since January 1992.

Over 5000 agencies trained

We have a diverse of organizations we've trained; local, state, and federal law enforcement, military, private and foreign government.

Over 18,000 students trained

We've trained law enforcement, military, security, private citizens, corporate customers, and manufacturers.

Unique Training Environments

We execute programs under all environmental & geopolitical conditions. We've trained across the United States and in faraway locations as; Central Asia, Middle East, Europe, West Indies, and South/Central America.

Unique Initiative Creation

Were the creators, movers, and shakers behind the 1 Inch to 100 Yards Warrior Conference and the Annual Lights Sights Laser US Tour.

Manufacture Support

Working in direct support with industry leaders to drive brand awareness/representation, consumer education, influencer/direct marketing support, lead generation, training, and product design.
