# Testimonial

// Simon is one of our loyal O'Neill ambassadors. His personal style & love for everything that has to do with the sun, snow and surf fits perfectly with the vision of O'Neill.

Simon is someone who is very passionate, which you also notice in the content he creates: everything is taken care of down to the last detail and feels therefore very authentic. When he brings something around O'Neill Blue, you also know that he means it and that he really wants to participate in keeping our oceans clean. Very nice to work with!
