Who is Julia?

Julia Alvina is a multiskilled Content Creator with a background in Graphic Design. Her creative expression showcases her personal style in front beautiful backdrops and in exciting environments. Her personal style has a focus on the Midsize community and on feminine, creative, affordable and sustainable fashion.

Her over-all focus lies on authenticity, self care and artistic expression and on building an inclusive, engaged and open-minded following.

Julia is Body and Skin Positive and often shows this more personal side on Youtube and her Instagram stories. As a hormonal acne sufferer, this is something she is passionate about bringing into focus in mainstream media.

With an Honours Degree in Graphic Design she is expertly skilled in photo and film editing, layout, animation and branding and is used to creatively following brand guidelines. She also has skills and experience within Copywriting, Blogging and Storytelling.

Julia is originally from Stockholm, Sweden but have lived in Edinburgh, Scotland for over five years.
