**About Sara:** Traveler, maker, designer and mom, Sara is a multi-talented content creator based in the San Francisco Bay Area. With a colorful vibe and down to earth authenticity, Sara's photos and text appeal to large brands and smaller stores alike. Sara is focused in the home, lifestyle and travel spaces. Unique DIY projects or the occasional recipes occasionally make it into her feed as well

Sara loves to create a colorful, warm home environment and is excited to partner with brands that share that same vision for home and lifestyle. When it comes to travel, she inspires people to pack their bags and GO see the world. She believes that the best education comes from seeing the world and all that it has to offer. Let's create content and work together!
