

Thank you for your interest, I can't wait to work with you! Taislany x

About me:

So a bit about me. My name is Taislany, I'm 23 years old. Born in Brazil, Minas Gerais and moved to London in 2006. I have created Taislany.com in order to showcase my personal style and my love of beauty and lifestyle.

About the blog:

I created by blog back in 2014. I had just finished college, and wasn't sure what I wanted to do (as most teenagers do). At first it was just a place where I spent my free time on, and it was a hobby for a long time. Until the day I decided to take full control and turn it into something that had a purpose not only for me, but my readers. It's been 12 months since I turned the game around and it was the best decision I have made in a long time. I guess that's why we're about to work together right?

Collaborations:

I have teamed up with amazing brands over these months. Here are some of them:
