

FRENCH Vanilla

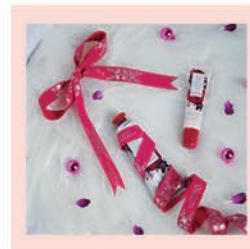

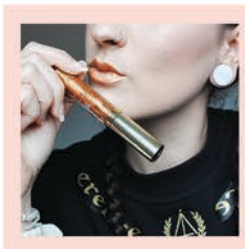

Everything has beauty, but not everyone sees it.

French Vanilla

I'm Tina, the beauty & lifestyle blogger from frenchvanilla.eu . I live in Slovenia, Lovrenc na Pohorju and I blog about beauty, lifestyle and everything I can't fit in my head. I don't have a job, but I've got my own small bussiness with DIY mugs.(handpainted).

In my free time you 'll find me reading, photographing and looking for new blog material for my readers. Sometimes I like to play some computer or phone games and watch diferrent series. I also love to work with photoshop and design things.
