"Bernard captured the attention of our audience through storytelling and his personal experiences that created a real impact in our programs. Bernard might just be the most easy to work with person we have ever hired."

Marcus Meurer,
Founder of DNX Global

"Truly an educator's educator. Coming from a traumatic operating room training environment, it is clear Bernard knows first hand, the calling to teach carries with it the responsibility to help students learn, lead, and achieve."

Noah Thomas,
Transition Team
Leader, Hire
Heroes USA

"Bernard inspires and provides solid strategies for transitioning military Veterans. He is an asset to any organization."

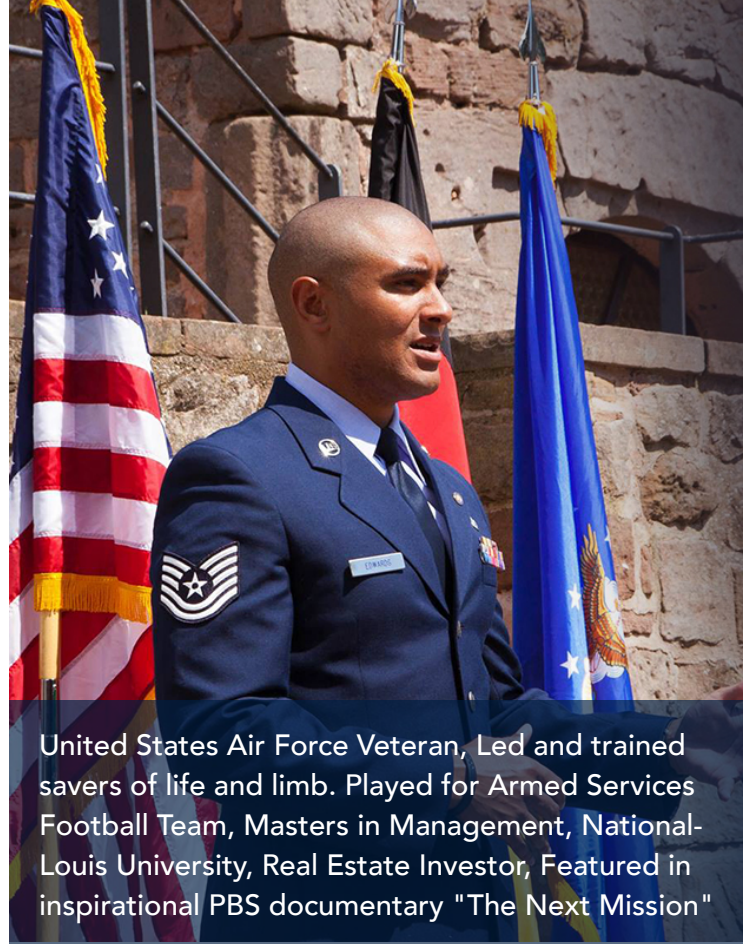

Jaspen (Jas) Boothe, Founder, Final Salute

"From the feedback and evaluations of our students, your visit to the high school entrepreneurship course was the most memorable. Your message on servant leadership and world travel is still being talked about by the students in the class."

Erik Yamamoto, Summer Director,
