TRAVEL BLOG FOR THE SOLO FEMALE WANDERER

who is ania travels ✈️

Czesc! I'm Ania (An-ya), the girl behind **Ania Travels**. I'm a 27 year old Polish-American travel junkie. I'm a sushi eating, wine drinking, beauty loving, adventure freak whose passions are travel, photography, design, healthy eating, and beauty!

I started **Ania Travels** when I quit my 9-5 corporate life and salary for a budget and carry-on. I became an expat in October 2016 when I packed up my apartment in Chicago to move across the globe... all alone. I've since visited 8 new countries and lived in 3. I am a traveller with a purpose to inspire.

What started off as a diary and photo album for my family and friends soon became an outlet for my travels and expat musings. I soon began to reach thousands of people from dozens of countries around the world each month!

Let's Collaborate

I'm available for collaboration and advertising in the travel and beauty industry. I'm always interested to explore new places, try new healthy products and experience adventures to share them with my readers. I look forward to publish exciting stories while I travel abroad full time, reviews of the places I stayed and the share stunning images from the destinations itself.

I'm a trusted resource for travel tips & tricks as well as guides for the solo female traveller, it's my passion to help and inspire my readers. I give them free travel advice, presenting the best locations, products, attractions and accommodations around the globe.

If you're looking to target solo travelers, women travelers, expats or health cautious travelers, you should work with me!
