

@bosskatie

Katie Shay; YouTuber

I am launching a new YouTube series called The Festival Chronicles, which takes subscribers through my journey of festivals over the past 3 years, and how they too can manifest their dreams into reality. I show viewers my progress from being an attendee, to a volunteer, artist, staff member, festival blogger and finally, vlogger/YouTuber where I get to host interviews and show backstage access & exclusive parties.

Let me tell you a little story...
