Who am I

Nice to meet you, my name is Tephany Baptist aka @meraki.enthusiast. Instagram is an online platform I use to inspire people. My focus is on fashion and the ability to recreate an image from my hair all the way down the to painted toe nail.

My ability to mix streetwear with a dose of sex appeal, turns heads and creates curiosity that inspires others to experiment with their looks. As a content creator and creative director I am not only able to stand in-front the camera, but i'm also able to direct and create concepts that connects with any brands visual identity.

I continue to push boundaries and I use my platform to creatively tell my story which I believe will encourage others to step out of their comfort zone.

What Does Meraki Mean?

This is a word that modern Greeks often use to describe doing something with soul, creativity, or love – when you put “something of yourself” into what you’re doing, whatever it may be.
