ABOUT ME

Hello! My name is Melissa; I am a 27-year-old that was born (and raised) in Vancouver, Canada.

I am the mastermind behind the Anxious Canadian; which was born in 2016.

When I'm not blogging, I can be found drinking a cup of tea, daydreaming about New Zealand, and playing with my three dogs (Kira, Jordan, and Jake).

MY BLOG

It is because of my anxiety that I decided to use blogging as a creative outlet. Initially, I started out as a book blogger on a blog called Around the World in Books. However, I decided to broaden my horizons as a lifestyle blogger, and The Anxious Canadian was born in March of 2016. Essentially, my blog's purpose is to blog and review products from the point of view as an anxiety sufferer.
