

# Tanya Savage

Fitness & Lifestyle Influencer

## About me

Hi, I'm Tanya. I am passionate about running with some coffee thrown in. I started running in 2011 when I made completing a marathon my New Years Resolution. And guess what? I did it. And I have not stopped. I complete several races every year of varying distances. 5K to 50K ultra marathons. My followers live active lifestyles and appreciate my honest fitness experiences.
