I'm a 7th grade English teacher from Atlanta, GA. I've made it my mission to help people travel. People think it's too expensive, but I've been to 51 countries on a teacher's budget! Everyone knows about the amazing places in the world to see, so I will teach you how to get there, what it will cost, and showcase some amazing pics along the way (especially with my 360 camera and drone)!

My blog focuses on trips across the 6 main continents, budgets, and easy weekend trips around Atlanta.
