LIFESTYLE & LOVE BLOGGER

about the blogger

I am the owner and creator of Solely Living. My blog is centered her blog around the lifestyle and dating woes of being of a millennial. When I am not updating the blog, I am helping others find their dream homes, discovering a new local food spot to try or playing with my fun-loving dog named Brindle. I desire to share my lived experience and knowledge of psychology with fellow millennials to spread joy, love and empowerment.

about the blog

Solely Living is a lifestyle and dating blog. I have started a community for millennials who are seeking inspiration and encouragement in the areas of relationships, career, lifestyle and health. My goal is to motivate millennials to live in their happy.
