Explorers are not extinct

## RAQUEL & MIGUEL

PHOTOGRAPHER & BLOGGER

We're a young Portuguese couple with a passion for travelling, photography and film making.

While Miguel is working a full-time job as a manager and Raquel is finishing her masters in biomedical engineering, we'll be conquering and discovering the world one short trip at a time.

We are collecting amazing memories and epic experiences, capturing and sharing them as we go along.

We hope to let our photos do the talking more than us, inspiring and motivating those who crave pursuing the life of their dreams.
