

A close-up portrait of a woman with a headwrap and makeup. The headwrap is made of a patterned fabric in shades of brown, beige, and red. She has dark, well-defined eyebrows, large eyes with dramatic eye makeup including pink and white eyeshadow and long, dark eyelashes. Her lips are coated in a glossy, light-colored lipstick. The background is softly blurred, showing what appears to be a window with light coming through. Two thin white horizontal lines are positioned above and below the main text.
