# ABOUT LEO

Leo is a young puppy with a BIG personality. He is sweet, silly and has a contagious Samoyed smile. He eats up attention and would be anyones best friend if they let him.

## THE STORY OF LEO'S ACCOUNT

Leo is a natural in front of the camera and loves supporting brands he believes in by modeling their products. Although Leo has never had a toy or treat he didn't like, he stays true to the fun style and feel of his account when partnering with companies. His bight and quirky feed is a true reflection of his "pawsonality."
