## Global Cannabis Travel Lifestyle

### About Me

My name is Sean, and my passions are Travel and Cannabis. Combining those two has made for an enjoyable trip in life as I travel the world searching for the traditional methods of cannabis production, while giving my audience of Cannabis friendly folks a view into cannabis culture from a global perspective. As shown on my social media, I have been growing large cannabis plants for a decade, and travelling the world since 1999. My focus has been IG stories, and recently added Twitter, YouTube, and a personal Blog to my content stream.

@Wander\_Vagabond The seed was from some Reggie yeah actual Mexican brick weed, I paid \$25 for 1 ounce just because I wanted to try the seed and it was more than worth it, I did produce some seed from a few of the plants so I can keep it going
