NWABATA NNANI

Innovative Producer with seasoned experience in all aspects of video production. Visionary creator, editor, and storyteller with demonstrated ability to take an idea from concept to delivery to produce entertaining and inspiring pieces. She is a highly innovative and motivated digital content and visual storytelling specialist with a tenacity and ability to achieve perfection.

BATA STUDIOS CONTENT CREATION

BATA Studios is a production company bridging the gaps between generations x, y, and z. Nwabata's goal with BATA Studios was to create content and tell stories she didn't see on television.
