

ANNEMARIE DUBÉ

LIFESTYLE SOCIAL MEDIA INFLUENCER

about the influencer

Based out of Montreal, Canada, I started my social media journey on YouTube in December of 2017. I began making lifestyle videos such as routine videos, lookbooks, advice videos, sharing products I'm loving and other related topics. Then in November 2018 I added Instagram to my platform, documenting my personal style, as well as sharing products I'm loving, and documenting daily adventures.
