

ABOUT ME

Portal manaus 24h is a news, entertainment and lifestyle website with marketing experience of several local and national brands. Influenced by the great acceptance of the public Portal Manaus24h has a consistent history because it already has a consolidated reputation due to the excellent content produced in its networks, and this is understood as a valuable asset for the brands with which it has already partnered. His passion for quality in the produced material taught him to promote an emotional connection between brands and readers. In 2017, the site was published in the magazine Gajef as the most accessed site of the month in recognition of its success. The network has partnered with several successful brands as can be seen below:
