

KRISTIN VAKEY BOWMAN

BUSY MOM. INCREDIBLE KID. WITTY COMMENTARY.

ABOUT ME:

I am a work-from-home mother who combines witty and quirky captions with photos and videos featuring my life with my incredibly special toddler with dwarfism, resulting in highly engaging and shareable content. I use social media as a platform for all things related to home life and motherhood, with a goal of encouraging the world to view those with special needs or unique differences the same way they view everyone else.
