TRAVEL & LIFESTYLE BLOGGER

about the blogger

Hi! I'm Stef, the 22 year old behind this travel and lifestyle blog! Just a bit about me.. In June 2018, I completed my Bachelor's Degree in Communications at the University of Malta. I have a passion for experiencing new cultures in different places around the world. Which is exactly what Livin' like Stef is all about!

about the blog

- Travel - By sharing travel related tips, I would like to inspire people to travel and make them feel more at ease when it comes to travelling. I want people to visit as much of the world as they can as life is short and we should be able to see and do as much as we want!
- Lifestyle - On Livin' like Stef I share anything which is relevant to life at that certain moment; gift guides, monthly favourites, life updates, recommendations and other reviews which I think will be helpful or that my readers can relate to.
- Food - I'm a big foodie and I'm sure there are others out there like me, so I tend to share easy recipe, restaurant recommendations and food related reviews!
