GRACE AUSTIN & JIM THIRION

WRITTEN & VISUAL MEDIA

Digital nomads with a passion for adrenaline and adventure, Grace & Jim began Extreme Nomads to help travellers discover the best spots around the world to do the sports they love. Grace's writing and SEO skills combined with Jim's 10+ years of photo/video experience allows the pair to create fresh, eye-catching content for their brand and partners.

TESTIMONIAL

"This has been the first year that our kite school has gotten more customers through online resources and about 90% of them said they found out about us from Extreme Nomads. These guys are very helpful if you need to promote your page and can't find the right words or media. Cheers for more successful years!"

-Agata Rybina, manager at Yoda Kite School (Pranburi, Thailand)
