ABOUT BREE

Hello,

My name is Bree. I live in a small town in New York with my husband, baby, and two dogs. I love crafting, photography and cooking! I have a YouTube, Instagram, and Facebook dedicated to life as a mother and wife. I use my platform to help and connect with other people. I talk about things from breastfeeding advice to DIY Hacks. My followers always compliment me on how raw vulnerable, and real i am. Some businesses i have worked with include: Walmart, Gillette, Board Books, and more.
