MOTHERHOOD | LIFESTYLE

Hi, I'm Ashley! Motherhood and lifestyle blogger, Mama bear, wife, and entrepreneur. Sharing my world from right here in Baton Rouge, Louisiana! As a former business analyst turned stay at home mom— I found beautiful solace in the community of motherhood on social media. I enjoy sharing our journey, and connecting with women from all over the world. My blog, "A Half Baked Life" — is the perfect combination of both honest motherhood and genuine inspiration. I hope you find that we are the perfect place for your brand, and I look forward to building our partnership!
