

# Esa Jae

CREATOR

## Who Am I

Nano Influencer (for now) Self coined #Soulfluncer just here to spread health, and good vibes. I am a vegan, self taught songwriter/producer, Artist and low key hippie. I love to cook and share recipes, photos, and videos via my social media. You may also see my green thumb develop more over time. I'm very big on natural products.

## What I Do

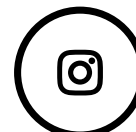

Currently I am content creator for both Instagram and youtube. I post anything from food recipes to natural hair content. I partner with small businesses to help spread the word on products/ items I stand by. I also do product reviews and brand collaborations. Currently a brand ambassador for Naptural Queen Haircare and For years have worked with Influenster on campaigns.
