## @RAFAROCHAVEG | Youtube: Rafa Rocha

Hi! Im Rafa Rocha from Brazil, and I'm a plant-based, travel vlogger and content creator on youtube, since 2016 for the portuguese speaking community around the globe. I love creating videos that inspire people to have a healthier and happier life with my travel vlogs and vegan recipes, and I believe partnering together, we will achieve this goal even more. During those 2 years being a content creator, Im lucky enough to have 23K+ subscribers and to stablsh myself as a strong voice for the healthy and travel lifestyle community. My audience is very similar to me! Most of them are young people, 18 to 35 years old, who are also inspiring, creative and who want to be a better version of themselves every day.

*"I absolute love your videos and posts, they inspire me to be a healthier, happier and spiritual person."*
