ABOUT US!

My name is Emily and two years ago I traded my sail boat in for a cockatoo... Bogie is a tiny pink bird with a gigantic personality. We like to keep our social media light-hearted and comedic while also focusing on helping people make responsible and educated decisions when caring for animals. Bogie and I do everything together; from cooking delicious meals, to traveling to gorgeous locations, to lounging around in sweats. I am transparent and honest with Bogie's fans which has established a valuable level of trust. I want to share unique products that I truly believe in with our followers!
