

ANKITA BISWAS

Fashion, Lifestyle, Travel & Beauty Blogger

ABOUT ME

I am a 28 years old Indian girl who has recently stepped into the world of fashion, travel, lifestyle & beauty blogging. It has been a dream for ages now.

- By profession I am a data/business analyst (B.tech), did my Masters in International Trade (see, not so connected/relevant). All because I wanted some KICK in my life I guess.
- I have aspired to do a lot of things in my life which includes modeling, professional Volleyball player (yeah, I represented my school and state in Nationals!)..... But ended up with a desk job. (How exciting!!!!!!)
- But FASHION never stopped inspiring me.

About my blog

THE GIRL NEXT
DOOR

The idea of my blog is to be able to help myself and everyone around to look chic, fashionable, comfortable and travel without burning the pocket, to look good, confident and explore new places without shedding EXTRA bucks and most importantly to love oneself in their own skin (makeup too) and life because that's what FASHION, BEAUTY & TRAVEL is all about.

BLOG AUDIENCE

MY MOST FREQUENT VISITORS

My Blog attracts visitors with interest in the same niche, majorly Travel and Fashion. I have seen my travel blogs getting the maximum visit and love.
