[Photographer | Influencer | Social Media Consultant]

ABOUT EGWURUBE SUNDAY

I am the owner / full-time photographer at **POSH FOTOS** and Blogger of a Lifestyle & Fashion blog, **Influencer** during the day and a regular boy at night. When I'm not shooting weddings, portrait sessions or events I'm perusing through clothing stores to feed my shoe addiction and/or through new cities exploring exciting foods. My aim is share my love for living life and enjoying the moments that make it precious.
