ABOUT
PAIGE BAXTER

Hi! My name is Paige Baxter and I am so excited to have the opportunity to connect. I pride myself on my social media presence and believe that the essence of good marketing and partnership is creating authentic content that organically engages our targeted audience. I began my social media journey three years ago and in that time have grown my TikTok and Instagram following exponentially.

Through-out my social media career, I have also successfully ran and cultivated other client's Instagram accounts to increase engagement, interaction, and follower count. The last client I worked with increased their Instagram engagement by over 500% in 30 days. I am well versed in the current trends and aesthetics, and create diligently to ensure satisfaction with my services.
