BIOGRAPHY

Rainie Howard is an award-winning author, lifestyle strategist and relationship expert who helps others evolve through lessons of love, wellness & wealth consciousness.

Rainie Howard is the founder of "Rainie Howard Enterprises"-- a Limited Liability Company (LLC) global e-commerce retail, media and publishing firm that sells high demand products and services online across multiple content delivery platforms including books, e-courses, video/film, publishing services and events.

Rainie Howard is the host and producer of "The Rainie Howard Show." The show has over 317,000 views and over 1.3 million impressions on YouTube. The Rainie Howard Show" empower viewers through inspiring stories and motivational messages.

In 2015, Rainie Howard and her husband, Patrick, launched Real Love Exist-a movement that advocates for healthy personal and interpersonal relationships. In January 2016, the positive impact of this campaign inspired a series of six relationship and personal development books that guide women into living fulfilled lives. In April 2016, Addicted to Pain became one of Amazon's best-selling relationship-intervention books for women-and serves as the curriculum for Rainie's well-received relationship virtual courses.

TESTIMONIALS

Saved My Life!

It helped me a lot! It's best to read it during your time of painful circumstances. This was my bible after dealing with a two-year covert narcissist: a rich, smooth, good-looking boyfriend who I almost married. Raine Howard is awesome. I've read 4 of her other books, too. Next. I'm buying Miracles in your Mouth!

Great Book!

This book has really change my life! The was a great book & opened my eyes to so many things. I thank & appreciate the author of this book. It's a must read & will help you get through a toxic relationship. It will also set you free & heal your broken heart without holding a grudge.

-Michelle Davis McNeil
