All About the Extra

My name is Taylor and I'm a lawyer who runs the Extra, a style + lifestyle brand, in my spare time. The Extra is an online social platform built to empower + inspire women to feel confident in their life and style choices. We live our lives boldly, out loud, and in color + building a community of like-minded women who want to do the same. As most of my engaged followers have children, I focus on bringing women-owned businesses and socially conscious businesses into the home, so I can ensure that products safe for all members of their family.
